Respiratory Care Practitioner Affidavit:

I cannot work as an RCP in South Dakota, unless a South Dakota Licensed Physician Medical Director has signed an agreement that is submitted to the BMOE Office.

I, _____, understand that I am permitted to maintain a South Dakota Respiratory Care Practitioner license without a qualified physician medical director because I am not working as an RCP in South Dakota. This affidavit is being offered in lieu of the required supervision agreement.

If I obtain employment in South Dakota as a respiratory care practitioner, I will first submit the RCP Supervision Registration form to the BMOE office and receive approval before working as a Respiratory Care Practitioner.
