**City:** Sioux Falls

**Specialty:** Dietitian

**Certification:** Commission on Dietetic Registration

**Work Address:** 1305 W 18<sup>th</sup> Street, Sioux Falls, SD 57104

**Professional Background:** For the past 12+ years, Lisa has proudly served at Sanford Health in Sioux Falls, where she has continuously pursued operational excellence, high quality care and patient safety. She held the Clinical Nutrition Manager role from November 2016 - January 2024 overseeing 35 Clinical Dietitians and working on enterprise-wide nutrition initiatives. Currently, she serves as an Accreditation Specialist within the Quality and Safety team, where she plays a crucial role in ensuring hospital and clinic compliance with regulatory standards, fostering a culture of high reliability and safety. She completed her Masters of Science in Population Health Management in August 2024 which has further equipped her with skills in team-based models of care, practice redesign, implementing population health management approaches, maximizing community assets to address social determinants and improving health care quality. Beyond her professional endeavors, she actively participates in mentoring programs and community initiatives, reflecting her holistic approach to leadership and service.

In addition to her career achievements, she is a devoted wife to Ian, a Captain with Sioux Falls Fire Rescue, and a proud mother to three daughters: Jaylyn (13), Miley (11), and Brynlee (9). These roles enrich her life and underscore her commitment to fostering a supportive and nurturing environment both at home and in the community.

Her journey is defined by resilience, grounded in the values of family, leadership, and a steadfast commitment to advancing healthcare excellence locally and beyond.
